

# Is Your Cat Vomiting?

If so, your cat may be eligible for enrollment in a clinical study for Cerenia, an antiemetic (anti-vomiting) drug at [All Cats Hospital, Largo, FL](#)

## Some of the Study Requirements:

1. Must have vomited at least twice in the past 48-hours and at least once within the past 24 hours.
2. You must be willing to hospitalize your cat at All Cats Hospital for at least 24 hours.
3. May not have received any drugs that control vomiting within the past 72 hours.
4. Your cat may not be pregnant, lactating, or intended for breeding.
5. Your cat must weigh more than 4.4 pounds.

## What Your Cat Will Receive:

1. A comprehensive physical examination prior to enrolling in the study + an examination every 24 hours while they are enrolled in the study.
2. Blood work performed at the beginning and again at the end of the trial.
3. Hospitalization for at least 24 hours (up to 96 hours).
4. Treatment for their vomiting.
