

Cat(s) Got Fleas?

If so, your cat(s) may be eligible for enrollment in a clinical study for flea prevention and treatment at [All Cats Hospital, Largo, FL](#)

Some of the Study Requirements:

1. 3 or fewer cats.
2. No indoor dogs.
3. 3 or fewer outdoor dogs.
4. Able to bring cat(s) to All Cats Hospital for 3 to 4 visits over 90 days
5. Willingness to speak with All Cats Hospital staff on the telephone after each treatment.
6. Willingness to report any adverse reactions to All Cats Hospital.

What You Will Receive:

1. 3 comprehensive physical examinations during the 90 day trial
2. Blood work performed at the beginning and again at the end of the trial.
3. Flea medication. Your cat(s) will receive either the new drug or an FDA approved flea medication.
4. If your cat(s) complete the study and you complete the required paperwork, you will receive a credit towards future veterinary care/products, either at All Cats Hospital, or if you prefer, at you regular veterinarian's office.

If you are interested or know someone who may be interested in participating in this trial, contact us at 727-581-7556 or allcatshospital@gmail.com
